Upon approval of our bid we shall manufacture the bags exactly according to the specified size & color. The purpose of the samples is to test the strength of the bag and the material we are offering. These samples do serve this purpose.

All shipments made consistent with the enclosed samples will be deemed in full conformance with all bid specifications. We are relying upon approval of these samples for compliance of its bid and will ship only such bags, in the specified size/color. Acceptance of our bid shall conclusively constitute approval of the enclosed samples as conformity with bid specifications.

Futhermore, it is hereby understood that we are quoting the prices per the unit you have specified in the bid. However, as the table below indicates, we stock some items in a different pack. Therefore, unless you insist on your specified count, we may prefer to ship according to our standard pack. This will only expedite the delivery of your orders.
