

# Health Care Subcommittee

## of the Lycoming County Re-Entry Coalition

### 1. Goal

- a. Enlist/Invite area health care/related agency representatives to participate in the Healthcare Re-Entry coalition

### Objective

- a. Educate/Inform all healthcare personnel from health systems and allied health offices in Re-Entry Coalition priorities and build health care coalition

### 2. Goal

- a. Establish formal referral protocol with LCP/APO/Courts and River Valley Health and Dental clinic to screen all reentry clients

### Objective

- a. Collaborate with medical benefits providers on training/orientation of criminal justice personnel on appropriate referral procedures.

### 3. Goal

- a. Identify the healthcare needs of justice- involved veterans with local veterans groups with representation on health care subcommittee

### Objective

- a. Identify a barrier-free process for health care referral/screening for veterans who are referred by Courts/APO/LCP
