

Mental Health Subcommittee

of the Lycoming County Re-Entry Coalition

Goals

- a. Identify high risk / high need offenders with significant Mental Health needs
 - i. Once identified increase access to MH treatment and follow up for those interested or court ordered to treatment
- b. Provide opportunities prior to release to engage in MH Treatment and establish community connections for reentry

Objectives

- a. Increase use of all tools to quickly identify this targeted population
- b. Increase Mental Health First Aid(MHFA) training for prison staff, volunteers and MH Forensic Peer Support Specialist
- c. Increase access to MH insurance coverage
- d. Coordinate referrals for MH treatment and medications
- e. Increase community MH resources coming into the prison
- f. Increase community MH resource connections outside the prison
