REQUEST FOR QUOTES FOR PRE-PRINTED ENVELOPES

ISSUE DATE: NOVEMBER 17, 2016
DUE DATE: DECEMBER 9, 2016

Vendors may download proposals by going to www.lyco.org and clicking on Top 10 Links, Request for Bids/Proposals. All Vendors are required to contact the Lycoming County Chief Procurement Officer and place their company name on the Vendors' list. This will ensure that each Vendor receives any and all addenda that may apply to the current quotation package. Failure to receive all current information could result in your company submitting an inaccurate quotation, which may be disqualified by the County.

QUOTATION INFORMATION AND INSTRUCTIONS

- 1.1 Purpose and Intent of Quotation.** This Request for Quotation (RFQ) is issued by the Lycoming County Purchasing Department on behalf of the Lycoming County Board of Commissioners. It shall be the purpose and intent of this RFQ to cover the terms and conditions under which successful Vendors shall be responsible for providing a written price quotation for pre-printed envelopes to the County of Lycoming (hereinafter "County") through price quotations.

It is the County's intention to select MULTIPLE VENDORS to supply all products. Supplies will be ordered by each County Department from the lowest responsible Vendor(s), including full consideration of any alternates which may appear on the bid form, meeting all terms, conditions, and specifications, whose quote is considered to be the most economical and in the County's best interest.

The Lycoming County Board of Commissioners reserve the right to accept or reject any or all quotes, or to accept any part of a quote without accepting the whole thereof, or to accept such quote as they deem to be in the best interest of the County.

- 1.2 Deadline and Opening of Quotation.** Quotations must be received no later than Friday, December 9, 2016, 5:00 P.M. EST. A summary of quotations received, including company name and quotation amount will be posted on the Purchasing Department's page on the County's website (www.lyco.org) within 48 hours of the quotation opening.

- 1.3 Important Dates.** The following lists important events and deadlines regarding the RFQ.

Issue Date:	November 17, 2016
Final Date for Written Questions:	November 28, 2016
Deadline for Submitting Quote:	December 9, 2016
Opening of Quote:	December 12, 2016

- 1.4 Submission of Quotations.** Quotes must be enclosed in a sealed envelope or package. The outside of the envelope or package shall be clearly marked, "RFQ for Pre-printed Envelopes." Quotes shall be submitted to the Lycoming County Chief Procurement Officer, Executive Plaza Building, 330 Pine Street, 4th Floor, Williamsport, PA 17701. Late quotes shall not be accepted. Quotes may be faxed, emailed, mailed or hand-delivered.

All Quotes must be submitted on the forms provided by the County and in accordance with the requirements and instructions contained in the RFQ package.

The County may waive minor informalities or irregularities in the quotes received where such is merely a matter of form and not substance, and the correction or waiver of which is not prejudicial to other Vendors. Minor irregularities are defined as those that will not have an adverse effect on the County's interest and will not affect the price of the bid by giving a Vendor an advantage of benefits not enjoyed by other Vendors.

- 1.5 Public Disclosure.** All Vendors should be aware that the County is an agency subject to the Right-to-Know Law. Any documents submitted should be considered as subject to potential public disclosure.

A summary of quotes received, including company name and bid amount will be posted on the Purchasing Department's page of the County's website (www.lyco.org) within 48 hours of the quote opening.

1.6 Vendor's Certification. By submitting a proposal, the vendor is certifying that it and its Principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by the State of Pennsylvania or any Federal department or agency.

1.7 Submission of Samples. When samples are required to be supplied, they must be supplied within seven (7) days of quote opening, unless otherwise requested by the County or otherwise required by the quote documents. The County also has the right not to return any samples required by the quote.

Samples submitted shall become the property of the County(s). Vendor shall bear the costs of providing the required samples.

The County reserves the right to: (a) request additional samples of the product; (b) conduct in-house testing of the product; or (c) perform tests of the product, including destructive tests that would indicate the product's performance under actual County usage conditions, in order to completely evaluate the product and make a determination as to its compliance with the specifications.

1.8 Evidence of Product Equivalency. When brand or trade names are used in the quote invitation, it is for the purpose of item identification and to establish standards for quality, style and features. Quotes on equivalent items of substantially the same quality, style and features are invited unless items are marked "No Substitute." Equivalent quotes must be accompanied by descriptive literature and/ or samples and shall be supplied at no charge to the County.

1.9 Time of Performance. The time of performance shall be January 1, 2017 - June 30, 2017.

1.10 Quantities. When the quantity is identified as "estimated", it shall be understood and agreed that quantities listed are estimates only and the precise quantities of goods and/or services cannot be determined during the term and such goods and/or services shall ordered on an as needed basis. That fact shall not constitute the basis for any equitable price adjustment.

When the quantity is identified as "definite", it shall be understood and agreed that quantities listed are definite and such goods and/or services shall be delivered of a definite quantity during the term.

Except for any limitations on quantities, there is no limit on the number of orders that may be issued. The County may issue orders requiring delivery to multiple destinations or performance at multiple locations.

Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering Clause. Subject to any limitations in the Delivery-Order Limitations clause or elsewhere in the quote, the Vendor shall furnish to the County all goods and/or services specified and called for by orders issued in accordance with the Ordering Clause. The County may issue orders requiring delivery to multiple destinations or performance at multiple locations.

If the County urgently requires delivery of goods and/or services before the earliest date that delivery may be specified under this quote, and if the Vendor will not accept an order providing for the accelerated delivery, the County may acquire the urgent required goods and/or services from another source.

1.11 Rejection of Work. Services and/or goods received by the County shall not be deemed accepted until the County has had a reasonable opportunity to inspect. Services and/or goods that are discovered to be non-conforming to the agreed upon specifications may be rejected upon initial inspection or at any later time if non-conformity were not reasonably discoverable at the time of initial inspection. Within fifteen

(15) days of receipt of notification of rejection, Vendor shall remedy services and/or goods without expense to the County.

If the Vendor fails, neglects or refuses to do so, the County shall then have the right to obtain such services and/or goods from another source and deduct from any monies due or that may thereafter become due to the Vendor, the difference between the price stated and the actual cost thereof to the County. If the amount due to the Vendor is insufficient to meet such expenses, the Vendor shall be liable for the excess and the County may proceed against the Vendor through appropriate legal action.

1.12 Pricing. Vendors warrant the quote price(s), terms and conditions stated in his/her quote shall be firm for a period of 100 days from the date of the bid opening. Prices shall remain firm and fixed for the entire quote period. If your quote includes price increases over the term of the quote, such increases must be clearly indicated in the Quote Price Schedule.

All quotes prices must include charges for packing, delivery, fuel, etc and note if there is a minimum order requirement.

1.13 Payment. The County will make payment within thirty (30) days of receipt invoice for properly received goods and services after inspection and acceptance of the material and/or work by the County. Advance billings are not allowed. Where partial delivery is made, invoice for such part shall be made upon delivery, and payment made within thirty (30) days under conditions as above.

The County offers vendors the option to enroll in electronic payment via automated clearing house (ACH) to the vendor's provided bank account of record. Payment is processed thirty (30) days after receipt of a proper invoice for the amount of payment due, or thirty (30) days after receipt of the goods or services, whichever is later.

1.14 Delivery. All quotes must include delivery to multiple locations within Lycoming County, FOB Destination, and **INSIDE DELIVERY BY YOUR CARRIER IN VARIOUS QUANTITIES.**

1.15 Billing/Shipping. Each monthly invoice shall be broken down by invoice and mailed to each County facility. The successful vendor is required to "Bill as Shipped" to:
