**2.2 Purpose and Intent of Bid.** This Invitation to Bid (ITB) is issued by the Lycoming County Purchasing Department on behalf of the Lycoming County Board of Commissioners. It shall be the purpose and intent of this Invitation to Bid (ITB) to cover the terms and conditions under which a successful Bidder shall be responsible for demolishing flood-prone structures to the County of Lycoming (hereinafter “County”) through sealed bids.

The County is seeking to identify and select one (1) Bidder to perform the work as listed above. The selected Bidder shall perform work in accordance with the Specifications and the ITB.

The Lycoming County Board of Commissioners reserve the right to accept or reject any or all bids, or to accept any part of a bid without accepting the whole thereof, or to accept such bid as they deem to be in the best interest of the County.

**2.3 Receipt of Bid Package.** The County’s Purchasing Department and the Controller’s Office are the sole authorities to provide the ITB package to Bidders. Bidders who are working from an ITB package obtained from any other source may be working from an incomplete set of documents. The County assumes no responsibility for a bid’s errors, omissions or misinterpretations resulting from a Bidder’s use of an incomplete ITB package.

Bidders are advised to contact the Purchasing Department to provide his/her company's name, address, telephone number, fax number and contact name. This will ensure the Bidder will receive all communication regarding the ITB such as addenda and clarifications.

- 2.4 Examination of Bid.** Bidders shall carefully examine all documents in the solicitation to obtain knowledge of existing conditions, limitations, and requirements. Failure to examine the documents will not relieve the Bidder of responsibility for same nor will extra payment or change order requests be considered for conditions which could have been determined by examining the solicitation.

Bids will be considered as conclusive evidence of complete examination and understanding of the terms and conditions of the bid documents including the specifications and all requirements thereof of the ITB. It is understood that submission of a bid indicates full acceptance of the same by the parties submitting the bid. Furthermore, by submitting a bid the Bidder waives the right to claims for additional time or monetary compensation for all work without limit required to complete the contract which could have been obtained by the Bidder through examination of all documents, or raising a question regarding requirements prior to submitting a bid.

- 2.5 Preparation of Bid.** The County shall not be responsible for any costs associated with the preparation or submittal of any bid. All costs are entirely the responsibility of the Bidder.

- 2.6 Communications.** All questions regarding this ITB shall be submitted in writing to Mya Toon, Lycoming County Chief Procurement Officer, at [mtoon@lyco.org](mailto:mtoon@lyco.org). Questions which require a more detailed or complex reply, or require an answer that may affect responses to this ITB or may be prejudicial to other prospective Bidders, will be answered by issuing an addendum. Questions must be received by the Chief Procurement Officer no later than Wednesday, February 24, 2021, 5:00 P.M. EST.

- 2.7 Addenda/Amendments to Bid.** All changes in connection with this bid will be issued by the Purchasing Department in the form of a written addendum. All addenda will be posted to the County Purchasing Department's page on the County website ([www.lyco.org](http://www.lyco.org)) at least seven (7) days prior to the deadline for ITB submissions. It is the Bidder's responsibility to check the website and ensure they have all applicable addenda prior to bid submission. Signed acknowledgement of receipt of each addendum must be submitted with the bid.

- 2.8 Deadline and Opening of Bid.** Bids must be received no later than Friday, March 5, 2021, 5:00 P.M. EST. Bids will be opened publicly at 10:00 A.M., EST, on Tuesday, March 9, 2021, in the Commissioners' Board Room located on the 1<sup>st</sup> Floor of the Lycoming County Executive Plaza Building. A summary of bids received, including company name and bid amount will be posted on the Purchasing Department's page on the County's website ([www.lyco.org](http://www.lyco.org)) within 48 hours of the bid opening.

The Bidder warrants the bid price(s), terms and conditions stated in his/her bid shall be firm for a period of 60 days from the date of the bid opening.

- 2.9 Important Dates.** The following lists important events and deadlines regarding the ITB.

Issue Date:	January 22, 2021
Mandatory Pre-Bid Meeting:	February 5, 2021
Final Date for Written Questions:	February 24, 2021

Deadline for Submitting Bids: March 5, 2021

Opening of Bids: March 9, 2021

- 2.10 Submission of Bid.** Bids must be enclosed in a sealed envelope or package. The outside of the envelope or package shall be clearly marked, "ITB for Flood Mitigation, Acquisition & Demolition Project." Bids shall be submitted to the Lycoming County Controller's Office, Executive Plaza Building, 330 Pine Street, 2<sup>nd</sup> Floor, Williamsport, PA 17701. Late bids shall not be accepted. Bids must be mailed or hand-delivered. Bids delivered by fax or electronic means are not acceptable and will not be considered.

All Bids must be submitted on the forms provided by the County and in accordance with the requirements and instructions contained in the ITB package.

The County may waive minor informalities or irregularities in the bids received where such is merely a matter of form and not substance, and the correction or waiver of which is not prejudicial to other Bidders. Minor irregularities are defined as those that will not have an adverse effect on the County's interest and will not affect the price of the bid by giving a Bidder an advantage of benefits not enjoyed by other Bidders.

- 2.11 Public Disclosure.** All Bidders should be aware that the County is an agency subject to the Right-to-Know Law. Any documents submitted should be considered as subject to potential public disclosure once the bid is awarded.

A summary of bids received, including company name and bid amount will be posted on the Purchasing Department's page of the County's website ([www.lyco.org](http://www.lyco.org)) within 48 hours of the bid opening.

- 2.12 Bidder's Certification.** By submitting a proposal, the contractor is certifying that it and its Principals and/or subcontractors are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by the State of Pennsylvania or any Federal department or agency.

- 2.13 Exceptions.** A Bid submitted in response to this ITB constitutes a binding offer to comply with all terms, conditions, special conditions, general specifications, and requirements stated in this ITB, except to the extent that a Bidder takes exception to such provisions. To take exception to a provision of this ITB, the Bidder must clearly identify in the BID EXCEPTION FORM: (a) the number and title of each section of this ITB that the Bidder takes exception to; (b) the specific sentence within such section that the Bidder takes exception to; and (c) any alternate provision proposed by the Bidder.

- 2.14 Evidence of Financial Standing.** After the bid opening, Bidders may be required to present suitable evidence of his/her financial standing within three (3) business days after request by the County. This evidence would include an income statement, balance sheet and statement of cash flow accompanied by an auditor's report attesting to the accuracy of the financial statements.

- 2.15 Non-Collusion Affidavit.** The County requires that a Non-collusion Affidavit be submitted with all bids pursuant to its authority according to the Pennsylvania Antibid-Rigging Act, 62 Pa. C.S.A. §4501 et seq.

This Non-Collusion Affidavit must be executed by the member, officer, or employee of the Bidder who makes the final decision on prices and the amount quoted in the bid.

Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the bid.

If a bid is submitted by a joint venture, each party to the venture must be identified in the bid documents, and a Non-Collusion Affidavit must be submitted separately on behalf of each party. The term “complementary bid” as used in the Affidavit has meaning commonly associated with that term in the bidding process, and includes the knowing submission of bids higher than the bid of another firm, any intentionally high or non-competitive bid, and any form of bid submitted for the purpose of giving a false appearance of competition.

Failure to file a Non-Collusion Affidavit in compliance with these instructions may result in disqualification of the bid.

**2.16 Bid Bond.** Bids must be accompanied by bid security in the form of a Certified Check, Cashier’s Check, or Surety Bond in the amount of TEN PERCENT (10%) of the total amount of the bid. The Bidder’s name and business address is required to be labeled on the check and/or bond for identification purposes. Any surety bond submitted must be covered with surety of a company authorized to do business in the Commonwealth of Pennsylvania. Any Cashier’s Check submitted must be drawn upon a bank authorized to do business in the Commonwealth of Pennsylvania. Surety bonds must be furnished using the form provided herein or a replication of this form by your surety company. Such bid security shall be a guarantee the Bidder will fully and faithfully comply with all of the terms and conditions of the bid and will enter into a formal written contract and is to become the property of the County as just and liquidated damages in the event that the County incurs any losses as a result of the successful Bidder’s failure to execute a written formal contract and to provide the required bonds as required within the ten (10) days after contract award.

The County reserves the right to retain bid securities until the lowest responsible Bidder enters into a contract and provides required bonds and insurance, for a period of 120 days, in accordance with applicable law, including 62 PA.C.S.A. Section 3911.

The bid security submitted by each Bidder will be returned after a contract has been signed.

Bid security shall be payable to the “County of Lycoming”.

Bid security shall be enclosed in a separate envelope marked “Bid Security” within the bid package.

**2.17 Use of Bid Forms.** The Bid shall be made on the bid forms included in this ITB and all applicable blanks on such forms shall be filled in. **A Bidder’s failure to submit proper documentation may result in the County’s rejection of the bid.**

Any and all documents required by the ITB that require a notarization must include the signature and seal of the notary public as required by the state in which the notary is commissioned. For those states that do not require an embossed notary seal, a Notarization Affidavit must be completed and submitted

with the bid. Bids and required documentation submitted without the embossed seal and without the Notarization Affidavit, as applicable, may be rejected at the time of bid opening.

For each line item offered, Bidders shall show both the unit price and extended price. In case of a discrepancy between the unit price and extended price, the unit price will be presumed to be correct and the extended price shall be corrected accordingly.

- 2.18 Modifications/Withdrawal of Bid.** Bids may be modified or withdrawn prior to the submittal deadline. Requests for withdrawals or modifications of bids received after the bid submittal deadline will not be considered except as otherwise provided in the following paragraph. Bidders desiring to modify or withdraw his/her bid, must submit the purpose for modification or withdrawal in writing to the County Chief Procurement Officer prior to the submittal deadline. Bidders may resubmit bids provided it is prior to the scheduled submittal deadline.

After bid opening, the Chief Procurement Officer may allow a Bidder to modify or withdraw its bid without prejudice if clear and convincing evidence supports the existence of a material and substantial error, an unintentional arithmetical error or an unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid. Requests to modify or withdraw the bid must be made in writing to the Chief Procurement Officer within two (2) business days after opening the bids.

- 2.19 Evaluation of Bids.** Bids will be evaluated in accordance with the required specifications as listed in this ITB. At the County's discretion, a bid may be eliminated from consideration for failure to comply with any required specification, depending on the nature and extent of non-compliance. In addition to meeting mandated specifications, bids will be evaluated for the ability of the Bidder to provide, in the County's opinion, the best overall solution to meet the County's objectives

- 2.20 Rejection or Disqualification of Bids.** A bid that is incomplete, obscure, conditioned or contains additions not called for or irregularities of any kind, (including alterations or erasures), which are not initialed, may be rejected as non-conforming.

The County reserves the right to waive a bid's minor irregularities if rectified by Bidder within three (3) business days of the County's issuance of a written notice of such irregularities.

The County reserves the right to disqualify bids, before or after opening, upon evidence of collusion with intent to defraud or other illegal practices upon the part of the Bidder.

Issuance of this ITB in no way constitutes a commitment by the County to award a contract. The County reserves the right to accept or reject, in whole or part, all bids submitted and/or cancel this solicitation if it is determined to be in the best interest of the County.

**Any Bidder who has demonstrated poor performance during a current or previous Agreement with the County may be considered a non-responsible Bidder and his/her bid may be rejected. The County reserves the right to exercise this option as is deemed proper and/or necessary.**

**The Lycoming County Board of Commissioners reserve the right to accept or reject any or all bids, or to accept any part of a bid without accepting the whole thereof, or to accept such bid as they deem to be in the best interest of the County.**

**2.21 Award of Bid.** Award of any bid is contingent upon available budget funds and approval of the Lycoming County Board of Commissioners.

The County will award the contract(s) to the lowest and best responsive, responsible Bidder(s) meeting all terms, conditions, and specifications of the ITB, within 60 days of the opening of the bids. Submitted bids shall remain valid during this 60 day period.

The County reserves the right to award a single contract for the total requirement of the ITB or award multiple contracts on a group or line item basis in any combination that best serves the interest of the County.

The County reserves the right, in its sole and absolute discretion, to accept or reject any and all bids or parts thereof, or to accept such bid as they deem to be in the best interest of the County.

An official letter of acceptance will be forwarded by the County to the successful Bidder after bid selection and prior to contract award.

**SECTION 3**

Said policies shall remain in full force and effect until the expiration of the terms of the contract or until completion of all duties to be performed hereunder by the Contractor, whichever shall occur later.

**3.2 Agreement/Contract.** Upon acceptance and award of a Bidder's bid, the contract between the Bidder and the County shall be drafted from (a) the ITB and addenda, (b) the selected bid (response to the ITB by the Bidder) and any attachments thereto, and (c) all written communications between the County and the Bidder concerning the transactions. The contract shall constitute the entire and only agreement and shall supersede all prior negotiations, commitments, understandings, or agreements, whether oral or written.

**3.3 Contents of Contract.** The entire contents of this proposal shall become a part of the contract.

**3.4 Execution of Contract.** The successful Bidder must execute a written contract with the County. If the successful Bidder fails or refuses to execute the formal contract within ten (10) days of the date of contract award, the security (Bid Bond) shall be forfeited to and retained by the County as liquidated damages, that award of the contract shall be voided, and all obligations of the County in connection herewith shall be canceled.

security. All Bidders are hereby informed that failure to post the required performance security within ten (10) business days of Notice of Contract Award is cause for contract termination, in which case the contract award is voided and the Contractor will forfeit its bid bond as liquidated damages.

The performance bond shall be payable to the “County of Lycoming”.

Performance bond submitted by the successful Bidder will be returned after successful completion of contract.

- 3.6 Termination.** The County reserves the right, at any time and for its convenience, to terminate the contract in whole or in any separable part by written notice to Contractor. Such notice shall be provided at least thirty (30) days prior to the intended termination date. Contractor shall be compensated for Goods accepted and for Services performed in accordance with the provisions of the contract up to the effective date of termination, less any payments previously made by the County for such Goods or Services, but in no event shall Contractor be entitled to recover loss of profits.

In the event that either the Contractor or the County defaults in the performance of any obligation specified in the contract, the non-defaulting party shall notify the other party in writing and may suspend the contract, in whole or in part, pending remedy of the default. If such default is not remedied within fifteen (15) days from the date of receipt of such notice or if the other party is diligently attempting to cure such default but is unable to cure such default within thirty (30) days from the date of receipt of such notice, then the non-defaulting party shall have the right to terminate the contract immediately by providing written notice of termination to the other party.

- 3.7 Time of Performance.** Notwithstanding any delay in the preparation and execution of the formal contract agreement, the Contractor shall be prepared, upon written notice of bid award, to commence delivery of goods and/or services immediately upon award.

The Contractor shall deliver goods and/or services on the date of commencement as defined above and achieve substantial completion in accordance with the timeline schedule identified in the specifications section. The Contractor must comply with the time of performance.

- 3.8 Liquidated Damages.** In the case of default by the successful Bidder(s) in failing to supply goods or perform services in conformance with the requirements of the contract resulting from this ITB, the County may, after providing notification, procure the same from other sources and charge such Bidder(s) for any excess cost of damages resulting there from.

If the Contractor fails to deliver the supplies or perform the services within the time specified in this contract, or any extension, the Contractor shall, in place of actual damages, pay to the County as fixed, agreed, and liquidated damages, per calendar day for each and every day of delay as liquidated damages five hundred dollars (\$500.00). The Contractor shall not be charged with liquidated damages when the delay in delivery or performance arises out of causes beyond the control and without the fault or negligence of the Contractor.

This Article shall not operate or bar the County from exercising any other rights or remedies to which it may be entitled to under the Pennsylvania Uniform Commercial Code, Article 2, 13 Pa.C.S.A., Section 2101 et seq.

**3.9 Amendments/Modifications of Contract.** The contract between the County and the Contractor shall not be amended or modified, nor shall any of its terms be waived, except in writing and executed by both parties.

**3.10 Subcontracting.** The Contractor shall not subcontract any of its obligations under this contract without the County's prior written consent. **3.11 Additions or Deductions.** The County shall have the right, without invalidating the contract, to make additions to or deductions from the work covered by these specifications and in case such deductions or additions are made, an equitable adjustment of the addition to or deduction in cost shall be made between the County and the Contractor, but must be agreed to in writing.

When the County would require additional or extra goods or services that are not listed as part of the bid package and without invalidating the purchase contract, the Contractor(s) would be required to furnish and deliver the goods and services to the County, at the Contractor's standard retail price of said items. This situation would also be in effect for the life of the contract, as listed in the above-mentioned language.

**3.12 Extra Work.** No extras or additional work will be allowed or paid for unless such extras or additional work are ordered in writing by the Commissioners, and the price fixed and agreed upon before such work is performed.

**3.13 Warranty.** Unless otherwise specified by the County, the Contractor shall unconditionally guarantee the materials and workmanship on all goods and/or services. If, within the guarantee period any defects occur which are due to faulty goods and/or services, the Contractor at his/her expense, shall repair or adjust the condition, or replace the goods and/or services to the complete satisfaction of the County. These repairs, replacements or adjustments shall be made only at such time as will be the least detrimental to the operations of County business

Any goods and/or services or parts thereof repaired, replaced or adjusted, shall also be subject to the terms of this clause to the same extent as the goods and/or services initially delivered. The guarantee will be equal in duration to that listed above and shall run from the date of delivery of the repaired, replaced or adjusted good and/or service.

When a repair, replacement or adjustment is required for goods, all transportation charges and responsibility for the goods while in transit shall be borne by the Contractor. If the Contractor fails or refuses to repair, replace or adjust the goods and/or services, the County may, by contract or otherwise, repair, replace or adjust with similar goods and/or services and charge the Contractor the cost occasioned to the County thereby or make equitable adjustment in the contract price.

**3.14 Inspection of Work.** Inspection of all work may be made by the County Commissioners, his/her duly appointed representative or other inspector(s) or assistants designated by that representative. The Contractor will be notified as to the name(s) and responsibility of such individual(s). The Contractor must notify the designated representative when all work has been performed in conformity with the requirements of this contract. The designated representative will certify that the Contractor's work has been performed in conformity with the requirements of this contract.

**3.15 Rejection of Work.** Services and/or goods received by the County shall not be deemed accepted until the County has had a reasonable opportunity to inspect. Services and/or goods that are discovered to be non-conforming to the agreed upon specifications may be rejected upon initial inspection or at any later time if non-conformity were not reasonably discoverable at the time of initial inspection. Within seven (7) days of receipt of notification of rejection, Contractor shall remedy services and/or goods without expense to the County.

If the Contractor fails, neglects or refuses to do so, the County shall then have the right to obtain such services and/or goods from another source and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated and the actual cost thereof to the County. If the amount due to the Contractor is insufficient to meet such expenses, the Contractor shall be liable for the excess and the County may proceed against the Contractor through appropriate legal action.

**3.16 Pricing.** Bidders warrant the bid price(s), terms and conditions stated in his/her bid shall be firm for a period of 60 days from the date of the bid opening. Once an award is made and a contract is in place, prices shall remain firm and fixed for the entire contract period. If your bid includes price increases over the term of the contract, such increases must be clearly indicated in the Bid Price Schedule. All bid prices must include freight.

**3.17 Payment.** The County will make payment within thirty (30) days of receipt invoice for properly received goods and services after inspection and acceptance of the material and/or work by the County. Advance billings are not allowed. Where partial delivery is made, invoice for such part shall be made upon delivery, and payment made within thirty (30) days under conditions as above. The County offers Contractors the option to enroll in electronic payment via automated clearing house (ACH) to the Contractor's provided bank account of record.

**SECTION 4**  
**GENERAL TERMS**  
**AND**  
**CONDITIONS**

- 4.1 **Assignment.** The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of its agreements with the County, or its rights, title, or interest herein, or its power to execute such agreement, to any other person, company, or corporation without the previous consent and written approval by the County.
- 4.2 **Compliance with Laws.** In the performance of the contract, Contractor shall comply with all applicable laws, ordinances, rules and regulations of governmental authorities and shall further specifically comply with those sections related to Equal Employment Opportunity and Non-Discrimination. - 4.3 **Governing Law.** The contract between the County and the Contractor shall be governed in accordance with the laws of the State of Pennsylvania.
- 4.4 **Ownership of Work Product.** The County, its departments, employees, agents or assigns shall have the unrestricted right and authority to reproduce, distribute, and use in whole or in part any submitted report or written materials generated by Contractor pursuant to this project. Employees or agents of the parties shall not divulge, transfer, assign, sell or otherwise convey the other party's proprietary methodologies (designated in writing by each party as proprietary) in any form to a third party, person or organization except as may be specifically agreed to in writing by the affected party.
- 4.5 **Independent Contract and Indemnity.** The Contractor shall act as an independent contractor and not as an employee of the County. FLOOD MITIGATION, ACQUISITION & DEMOLITION PROJECT**

**PROJECT DESCRIPTION**

Lycoming County has been approved for FEMA grants associated with Federal Disaster Declaration No. 4267 and a Flood Mitigation Assistance 2018 grant. A third funding source is the Pennsylvania Housing Affordability and Rehabilitation Enhancement Fund (PHARE) program. These programs provide funding to acquire and demolish flood prone properties in order to create a more resilient community. **Due to this mix of funding in this project, the work performed at each parcel must be invoiced separately.**

This Project shall include, but is not limited to, the demolition, removal, and legal disposal of all structures and their contents, fences, concrete slabs, paved or gravel drives, and flood debris. Also included shall be asbestos testing, traffic control, fine-grading, grassing, mulching and ultimately vegetative stabilization. The DEP Chapter 106 permit has been acquired for each property listed in this RFP, but all other permits and fees associated with this Project shall be the responsibility of the Contractor.

The primary purpose of this work is to demolish and haul away debris including all structures and appurtenances thereto, hereinafter collectively referred to as “the structures” from six properties currently being acquired by the County of Lycoming. The properties are located within Muncy Borough, Old Lycoming Township, Lewis Township, and McIntyre Township. Contractors should understand and agrees that demolition and debris removal in the most expeditious manner possible is of the utmost importance and it will make every effort to complete all requirements of this Contract in the shortest time possible. The work to be performed under this Contract shall consist of demolition and removal of the structures-listed in these specifications along with detailed descriptions. **Also to be included are any structures remaining on the lot; all concrete, stone, brick, asphalt or other flatwork, planters, specified flood debris, retaining walls and the like, as well as capping of wells and collapsing of cisterns, if any.**

The contractor shall determine and certify that the all structures are deemed to be clear of Asbestos Containing Materials. If Asbestos Containing Materials are found in any structure listed herein, the Contractor will be responsible to abate and remove the contaminated material prior to demolition. An opportunity to view the interior of each structure will occur at the pre-bid meeting / project tour.

The Contractor shall maintain all work sites to appropriate use standards, safety standards, and regulatory requirements. All materials shall be removed, hauled, and disposed of in accordance to all applicable federal, state and local requirements.

**NON-COLLUSION AFFIDAVIT**

## **INSTRUCTIONS FOR NON-COLLUSION AFFIDAVIT**

This Non-Collusion Affidavit is material to any contract awarded pursuant to this bid. According to the Pennsylvania Antibid-Rigging Act, 62 Pa.C.S.A. § 4501, et seq, government agencies may require Non-Collusion Affidavits to be submitted together with bids.

This Non-Collusion Affidavit must be executed by the member, officer or employee of the Bidder who makes the final decision on prices and the amount quoted in the bid.

Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the bid.

In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an Affidavit must be submitted separately in behalf of each party.

The term “complementary bid” as used in the Affidavit has the meaning commonly associated with that term in the bidding process, and includes the knowing submission of bids higher than the bid of another firm, and intentionally high or noncompetitive bid, and any other form of bid submitted for the purpose of giving a false appearance of competition.

Failure to file an Affidavit in compliance with these instructions will result in disqualification of the bid.

and \_\_\_\_\_

(a \_\_\_\_\_ corporation authorized to transact business in Pennsylvania, and having its principal office at \_\_\_\_\_ ) as Surety, are held and firmly bound unto the County of Lycoming, 48 West Third Street, Williamsport, Pennsylvania, 17701, as Obligee, in the sum of \_\_\_\_\_ U.S. Dollars (\$ \_\_\_\_\_ ), for the payment of which sum well and truly made, the said Principal and the said Surety, bind ourselves and each of our respective heirs, legal representatives, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the said Principal is herewith submitting to the Obligee a bid to perform work or provide materials and/or services identified as \_\_\_\_\_, and it is a condition of the Obligee's receipt and consideration of said bid that the bid be accompanied by bid security to be held by the Obligee on terms set forth herein.

THEREFORE, the condition of this obligation is that if either (a) the Obligee shall not accept the Principal's bid nor award a contract to him or (b) said Principal shall upon Obligee's acceptance of his bid and award of a contract to him, enter into such contract in writing and furnish such bond or bonds as may be specified in the bidding or contract documents with a surety acceptable to Obligee, then this obligation shall be void; but otherwise shall remain in full force and effect.

FURTHERMORE, if the above noted conditions are not met, the Principal and Surety will pay to the Obligee the difference between the amount of the Principal's accepted bid(s) and any higher amount for which the Obligee may contract for the required work (either the next lowest responsible Bidder at that same bidding or with the lowest responsible Bidder on any re-bidding) plus any advertising, Engineers' legal and other expenses incurred by the Obligee by reason of the default: provided that the Surety's obligation hereunder shall not exceed the face amount of this bond. Such bond or bonds shall be available for payment against the presentation to Surety by the Obligee of (1) the Obligee's signed statement certifying that Principal has failed to enter into a contract in writing within such time as may be specified in Obligee's Invitation to Bid or failed to provide a performance bond in accordance with requirements set forth in Obligee's Invitation to Bid; (2) the original surety bond; and (3) a copy of the notification letter sent via courier to Principal dated not less than ten (10) days prior to Obligee's request for payment. Such notification letter shall advise Principal of the Obligee's intent to and reason for drawing on the bid bond.

The Surety agrees that its obligation hereunder shall be in no manner defeated or impaired by any postponement of the advertised date for receiving bids or by any extensions by the Principal of the period during which his bid shall remain irrevocable and subject to acceptance by the Obligee; and the Surety hereby waves notice of any such postponement or extension.

The Principal and Surety acknowledge that all references herein to the principal in singular, masculine form shall include the plural, feminine and neuter, as may be appropriate to the Principal.
