Requests to modify or withdraw the proposal must be made in writing to the Chief Procurement Officer within two (2) business days after opening the proposals.

- 2.12 Evaluation of Proposals.** Proposals will be evaluated in accordance with the required scope of work as listed in this RFP. At the County's discretion, a proposal may be eliminated from consideration for failure to comply with any required specification, depending on the nature and extent of non-compliance. In addition to meeting mandated specifications, proposals will be evaluated for the ability of the Bidder to provide, in the County's opinion, the best overall solution to meet the County's objectives.

- 2.13 Rejection or Disqualification of Proposals.** A proposal that is incomplete, obscure, conditioned or contains additions not called for or irregularities of any kind, (including alterations or erasures), which are not initialed, may be rejected as non-conforming.

The County reserves the right to waive a proposal's minor irregularities if rectified by Bidder within three (3) business days of the County's issuance of a written notice of such irregularities.

The County reserves the right to disqualify proposals, before or after opening, upon evidence of collusion with intent to defraud or other illegal practices upon the part of the Bidder.

Issuance of this RFP in no way constitutes a commitment by the County to award a contract. The County reserves the right to accept or reject, in whole or part, all proposals submitted and/or cancel this solicitation if it is determined to be in the best interest of the County.

Submitted proposals shall remain valid during this 60 day period.

The County reserves the right, in its sole and absolute discretion, to accept or reject any and all proposals or parts thereof, or to accept such proposal as they deem to be in the best interest of the County.

An official letter of acceptance will be forwarded by the County to the successful Bidder after proposal selection and prior to contract award.

**SECTION 3**  
**GENERAL TERMS**  
**AND**  
**CONDITIONS**

**3.1 Bidder's Certification.** By submitting a proposal, the contractor is certifying that it and its Principals and/or subcontractors are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by the State of Pennsylvania or any Federal department or agency.

**3.2 Warranties and Representations**

**3.5 Use of Proposal Forms.** The proposal shall be made on the proposal forms included in this RFP and all applicable blanks on such forms shall be filled in. **A Bidder's failure to submit proper documentation may result in the County's rejection of the proposal.**

Any and all documents required by the RFP that require a notarization must include the signature and seal of the notary public as required by the state in which the notary is commissioned. For those states that do not require an embossed notary seal, a Notarization Affidavit must be completed and submitted with the proposal. Proposals and required documentation submitted without the embossed seal and without the Notarization Affidavit, as applicable, may be rejected at the time of proposal opening.

**3.6 Non-Collusion Affidavit.** The County requires that a Non-collusion Affidavit be submitted with all proposals pursuant to its authority according to the Pennsylvania Antbid-Rigging Act, 62 Pa. C.S.A. §4501 et seq. This Non-Collusion Affidavit must be executed by the member, officer, or employee of the Bidder who makes the final decision on prices and the amount quoted in the proposal.

Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of proposals are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the proposal.

If a proposal is submitted by a joint venture, each party to the venture must be identified in the proposal documents, and a Non-Collusion Affidavit must be submitted separately on behalf of each party. The term "complementary bid" as used in the Affidavit has meaning commonly associated with that term in the bidding process, and includes the knowing submission of proposals higher than the proposal of another firm, any intentionally high or non-competitive proposal, and any form of proposal submitted for the purpose of giving a false appearance of competition.

This Non-Collusion Affidavit is material to any contract awarded pursuant to this proposal. According to the Pennsylvania Antibid-Rigging Act, [62 Pa.C.S.A. § 4501, et seq](#), government agencies may require Non-Collusion Affidavits to be submitted together with proposals.

This Non-Collusion Affidavit must be executed by the member, officer or employee of the Bidder who makes the final decision on prices and the amount quoted in the proposal.

Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of proposals are unlawful and may be subject to criminal prosecution. The person who signs the affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the proposal.

The term “complementary bid” as used in the Affidavit has the meaning commonly associated with that term in the bidding process, and includes the knowing submission of proposals higher than the proposal of another firm, and intentionally high or noncompetitive proposal, and any other form of proposal submitted for the purpose of giving a false appearance of competition.
