Only a total of 100 cadets will be selected for appointment and we receive more applications than we can accept. Camp Cadet is designed to bring a better understanding between the youth of Lycoming County and police officers and to create a lasting impression that police officers are their friends. Camp Cadet provides an atmosphere of a police academy. Emphasis is placed on self-discipline.

Cadets will have the opportunity to participate in tactical team exercises, crime scene processing, BMX bike riding, archery, and swimming in the pool.
