## IMPORTANT COUNTY FUNDING ANNOUNCEMENT!

TO: All Lycoming County Municipalities

FROM: Sal Vitko, Lycoming County Transportation Planner

SUBJECT: 2022 County Liquid Fuels Funding Availability

ISSUED: March 11, 2022

At their March 10, 2022 public meeting, the Lycoming County Board of Commissioners approved distribution of County Liquid Fuels Funding to Lycoming County municipalities as follows:

- \$150,000 will be distributed to all municipalities based on the municipal population / road mileage formula method used in prior years. An additional \$1,750 in liquid fuel funds will be allocated to nine (9) municipalities for attending Local Technical Assistance Program (LTAP) virtual classes during the 2021 calendar year. The amount of the bonus was allocated based upon class attendance during that year. (**Attachment A** provides the final allocation amounts for each municipality under the column marked by the red down arrow.)

To obtain county liquid fuels funding, please follow the process described below:

1. Please complete and sign the attached [PennDOT MS-339](#) Application for County Aid Form (*Section 1 only*) and return to me at the above mailing address as soon as possible. Again, **Attachment A** provides the approved dollar amounts for each municipality. Simply insert the amount shown for your municipality on the “Allocation Requested” blank portion of the MS-339 form. A copy of this form is also attached for your convenience.
2. Once the County and PennDOT sign the MS-339 form, you will receive a copy for your files. This is your authorization to use County Liquid Fuels Funds for your particular project indicated on the form.
3. When your project has been completed, please fill out a PennDOT Project Completion Report MS-999 (Also attached to this letter) and send it directly to PennDOT Engineering District 3-0 Municipal Services Division for their approval. The County will then issue **PAYMENT** to your municipality **AFTER** PennDOT has approved this form.

Please note, if your municipality needs technical assistance in developing a scope of work and a cost estimate for a project, representatives from the PennDOT Local Technical Assistance Program, (LTAP) are available to meet or otherwise coordinate with you free of charge. If you are interested in receiving technical assistance through LTAP, please contact me at (570) 320-2140 and I can arrange a meeting. **Also, please note that for every Lycoming County municipal official / employee that ATTENDS an LTAP virtual training class held in Lycoming County in 2022, the County will add \$50 to your 2023 county liquid fuels allocation. This program is to encourage your participation in these valuable transportation related training opportunities, which may help you stretch your limited transportation dollars and help you deliver a more cost effective program to your constituents.**

If you have questions or need further assistance in applying for county liquid fuels funding, please contact me at (570) 320-2140 or email me at [svitko@lyco.org](mailto:svitko@lyco.org). In addition, here are some links that you may find useful as you prepare to take advantage of this program:

- <https://www.pennDOT.gov/Doing-Business/LocalGovernment/LiquidFuels/Pages/default.aspx>
- <http://www.dot.state.pa.us/public/PubsForms/Publications/Pub%209.pdf>
- <http://www.dot.state.pa.us/public/PubsForms/Forms/MS-339.pdf>

I look forward to working with all municipalities this year to help improve our local transportation system and am pleased the County can provide continued funding support.

Respectfully,

Sal Vitko  
Transportation Planner
