## MINUTES: 8/10/2010 PICNIC/MEETING

The Lycoming County Retirees Picnic Meeting was held at Russ and Marie Reitz's farm, Gracious Meadows, on Tuesday, August 10, 2010 at 11:30 a.m. There were 36 members and guests present.

A delicious meal of grilled chicken, corn-on-the-cob, baked potatoes, salads (with Marie's special dressing), beverages, and desserts was enjoyed by all.

The weather cooperated and we had a pleasant time of relaxation. Russ Reitz offered and the group accepted a hay wagon ride around the farm.

Ann Kilburn was present if members wanted to pay dues.

Alice Bair, chairperson, reported there are still seats available on the trip to Allenberry Playhouse for the "Allenberry Christmas Show" on Thursday, December 2, 2010. The cost is \$85 per person. We must have enough participants to cover the cost. Please contact Alice Bair if you are interested. You do not have to be a retiree to go so please ask family and friends.

Respectfully Submitted,

Esther Crawford Cohick, Secretary

# HOLIDAY TREAT

## TURKEY CUPCAKES

Ingredients for decorating pre-baked, already frosted cupcakes:

- Shredded coconut
- Coconut covered marshmallows
- Chocolate sprinkles
- Mini gummy fish

Preheat oven to 350 degrees. Place coconut on baking sheet, stirring occasionally, until just beginning to turn brown, about 10 minutes. Let cool. Dip each frosted cupcake in toasted coconut.

To make the turkey heads: stick the point of a wet toothpick into the side of a marshmallow in two spots, about 1/2-inch apart. Fill the holes with chocolate sprinkles for eyes. Cut a small triangular piece of gummy fish from the head of a fish, to resemble a beak. Cut a small slit in the marshmallow below the eyes, and insert the beak. Place marshmallow head on cupcake, securing with a toothpick.

To make the tail feathers: Insert 4 gummy fish, tails first, into each cupcake across from the heads.

## **A Few Of The Many Ways To Use Salt In Your Home**

### **Remove odors from hands**

Oniony-garlicy fingers? You can use soap and water, then rub them on anything stainless steel (it really works), but you can also rub your hands with a salt and vinegar combo.

### **Save the bottom of your oven**

If a pie or casserole bubbles over in the oven, put a handful of salt on top of the spill. It won't smoke and smell and it will bake into a crust that makes the baked-on mess much easier to clean when it has cooled.

### **Remove water rings**

Gently rub a thin paste of salt and vegetable oil on the white marks caused by beverage glasses and hot dishes on wooden tables.

### **Iron**

Sprinkle a little salt on a piece of paper and run the hot iron over it to remove rough, sticky spots.

### **Bee sting**

Immediately dampen area and pack on a small pile of salt to reduce pain and swelling.
